

SOL • Sol is a cheery, luminous collection in an unequivocally contemporary style.

Bernardaud, the french porcelain company was founded in Limoges in 1863. Still family-owned, the brand has always striven for excellence, quality and precision. Bernardaud remains in the elite of design and innovation, developing technologies that push back the technical limits of porcelain making.

Each collection brings the grace of simple luxury to everyday life and demonstrates that, after two thousand years, porcelain continues to prove its worth as an exceptional material.
